

**BOARD OF COUNTY COMMISSIONERS
AGENDA ITEM SUMMARY**

Meeting Date: December 21, 2005

Division: Emergency Services

Bulk Item: Yes X No

Department: Fire Rescue

Staff Contact Person: Susan Hover

AGENDA ITEM WORDING: Approval to purchase five (5) MSA Evolution 5200 Thermal Imaging Cameras and accessories from Ten 8 Fire Equipment, Inc., the designated supplier of MSA equipment in the State of Florida, at a purchase price of \$43,987.50, and approval to issue a Purchase Order to Ten-8 Fire Equipment, Inc. for same.

ITEM BACKGROUND: A thermal imaging camera (TIC) allows fire rescue personnel to quickly scan each room and see the location of any victims in a fire, and in a non-rescue situation, these cameras allow a hose team to quickly locate the seat of the fire and apply water directly where needed, eliminating unnecessary water damage. This also enhances firefighter safety by minimizing their exposure to potential injury.

During Fiscal Year 2000, a like model TIC manufactured by MSA was purchased for Key Largo Station 24 and has been successfully in use since that time. Having equipment uniformity throughout our fire stations is prudent for reasons such as personnel training and familiarity, and obtaining servicing and parts. Therefore we would like to continue using MSA cameras, and Ten 8 Fire Equipment, Inc. is the designated supplier of MSA equipment in the State of Florida.

PREVIOUS RELEVANT BOCC ACTION: During the Fiscal Year 2006 budget process, the Board approved funds to purchase five (5) thermal imaging cameras as part of phase 2 of deployment of TICs countywide.
